**Where?** Pingree School is located immediately to the east of Bradley-Palmer State Park, at 537 Highland St. in South Hamilton (approximately 5 min. north of Wenham and 5 min. south of Ipswich). For complete directions please see our website.

**Key Information:** Prior to camp, each camper must complete a health history/medical release form—available for downloading on our website. (As per MA law, and immunization record is also required prior to camp.) Campers should bring their own snacks (plus lunch if an all-day camper), sunscreen, water bottle, hat, and tennis racket. We can lend campers rackets on a temporary basis, and assist parents if they need advice in selecting a racket. Special tennis attire is not required.

**Water** is freely available at all times, but we suggest campers bring their own water bottles for convenience—and to save on disposable cups. We welcome participants with special medical needs, but require that you inform the director at the time of registration. We enjoy getting to know each camper as an individual, and we celebrate each camper’s progress as they try to master this rewarding and challenging sport.

**Rain** will not cancel camp! Instead, instruction will shift indoors for what is typically an hour or two. Activities such as tennis in Pingree’s spectacular new gymnasium, videotape analysis of camper activities from earlier lessons, strategy talks, stroke analysis, DVD’s of famous matches from history, and our copyrighted “Tennis Bingo” game are all extremely valuable. We also discuss scorekeeping and tennis etiquette. We also play some serious ping-pong! Coach Olson also founded the Pingree Table-tennis club. Table-tennis strengthens hand-eye coordination and the understanding of spin. Rainy day tournaments have been a favorite for years.

**TENNIS-A GREAT SPORT**

FOR ANY KID...AND FOR A LIFETIME

**All-Court Tennis Camp:**

**@ Pingree School, S. Hamilton, MA**

**[www.allcourttennis.net](http://www.allcourttennis.net)**

**(Full-day and Half-day)**

Give your child the opportunity to learn the life-sport of tennis this summer!

Campers can enjoy camp M-F with:

- Experienced and enthusiastic coaches who understand the needs of beginners, as well as advanced players.
- All-Court Camp embraces the very successful USTA “QuickStart” tennis program that utilizes smaller courts, lower nets, low-bounce balls, and appropriate equipment for longer points and more fun.
- A wide-range of appropriate and effective teaching methods and strategies designed to make tennis fun to learn.
- A teacher-camper ratio of about **4 : 1**
- An established reputation for giving each camper a well-rounded “All-Court” game.

**Note:** All-Court camps are insured and fully licensed by the Hamilton Board of Health, and must comply with the regulations of the MA Dept. of Health (105 CMR 430). Further information regarding their regulations is available at (617) 983-6761.

**Camp Goals:** All-Court Tennis Camp strives to provide child-friendly, age-appropriate instruction. All-Court staff members are experienced, patient, and enthusiastic. We love playing the game, and share this passion with the campers. Teaching activities are varied, focused, and fun--often utilizing a mix of small court games, quick drills, and slightly silly "special events." With small teaching groups we are able to tailor what we teach to match the interests of most campers.

**Camp Staff:**

**Eric Olson- Director and Founder**

- USPTA-certified tennis coach, 30+ yrs playing.
- Tennis coach at Pingree School. N. E. class "C" Champs '05 & '08. E.I.L. Champs '05-'08.
- 20 years as an educator, k-12.
- Three-time E.I.L "Coach of the Year."

All-Court draws its staff members, from talented former/current Pingree boys and girls varsity players. Here is a sampling:

**Garrett Lane-**

- Four-year Pingree #1, League MVP, Captain.
- Div.1 collegiate player (Quinnipiac University)
- Veteran All-Court Teacher. Nationally ranked.

**Ingrid Olson-**

- Former Pingree Varsity Player. USTA member.
- Manager, St. Olaf Men's tennis team.
- 7 year Veteran All-Court Teacher.

**Tennis for Tots Ages: 3 - 5**

Not part of the larger camp, this 2 hour program is designed to introduce the very littlest tennis fans to the fun of controlling a bouncing ball with a racket. These littlest "campers" will be with a senior staff member and at least one CIT in a near 1-1 ratio as they learn the "fun"-damentals of the game! See our website for tuition, hours and details.

**Half-Day Camp Ages: 6\*-16**

Children typically learn tennis best in an immersion program that teaches through daily contact and reinforcement. Our half-day camp provides this steady instruction--yet is short enough, to hold the attention of even the youngest campers. However, the half-day camp is not just for the young or beginners--older campers and veterans who want to keep their afternoons open are also frequent participants, and enjoy having this option.

\*5-yr-olds with sibling/prior approval are often able to sneak under..

**Time:** (am) 8:30 - 12Noon M-F  
(pm) 1:00 - 4:30pm M-F

**Tuition:** \$275

(Less \$25 for early payment in full and/or less \$20 (max) for each additional week/sibling/carpool friend.)

**Typical Half-Day:**

**8:30 - 9am** Warm up, stretch, intro to "theme-of-the day."  
**9:00 - 9:45** Small-group work on stroke dynamics with practice and instruction. Focus on proper swing, footwork, self-awareness, and self-correction. Fun games!  
**9:45 - 10:15** Variations on our theme. Forehand volleys vs. forehand groundstrokes or the use of spin on a FH.  
**SNACK!** Water, rest, lame jokes, and more!  
**10:30 - 11:45** Six stations each with a fun game or drill to reinforce the day's theme.  
**11:45 - Noon** A concluding game or activity to end on a challenging, fun, or outrageously silly final note.

**Full-Day Camp Ages: 6\*-16**

Our full-day option offers campers the chance to play more tennis, make rapid progress, and give greater depth to their game. A variety of activities are added to the morning program to keep interest levels high. There is often the opportunity for 1-on-1 time with a coach, or the chance to play a longer game, or even develop some match-play experience. (Just as the half-day camp isn't simply for beginners or younger players, the full-day camp isn't only for older players with experience. Full-day camp can be perfect for any player--if they are motivated.
